Dear Yosandi,

Thank you for submitting your manuscript "EMPLOYEE PERFORMANCE AFFECTED BY COMPENSATION AND COMPETENCE IN PT COCA COLA AMATIL INDONESIA"

Before we can further process it you are kindly requested to make the following corrections to meet the journal's requirements (please also refer to the Instructions for authors):

1. Title page - Please include a title page as page 1. The title page should include the title, authors, author affiliations, corresponding author details and complete co-author email addresses.
2. Competing Interests - Please include a Competing Interests section. If the authors have no competing interests, please state: "The authors declare that they have no competing interests."
3. Authors' Contributions - Please include an Authors' Contributions section. We suggest the following kind of format (please use initials to refer to each author's contribution): For example: "AB carried out the genetic studies, participated in the sequence alignment and drafted the manuscript. JY carried out the immunoassays. MT participated in the sequence alignment. ES participated in the design of the study and performed the statistical analysis. FG conceived of the study, and participated in its design and coordination and helped to draft the manuscript. All authors read and approved the final manuscript."
4. Consent - During submission, you have answered "Yes" to the question "Does your manuscript report data collected from humans or animals?". Regrettably, we have not been able to locate a statement of Declarations, Consent or Ethics approval within your manuscript. Could we please ask you to include one of the following, as appropriate: - a statement of ethics approval with the committee's name and reference number if appropriate - a statement on consent to participate under the 'Ethics, consent and permissions' heading - a statement under the 'Consent to publish' heading confirming that consent to publish has been obtained from the participant (or legal parent or guardian for children) to report individual patient data. Please Sent Back to Author and replace the appropriate files.

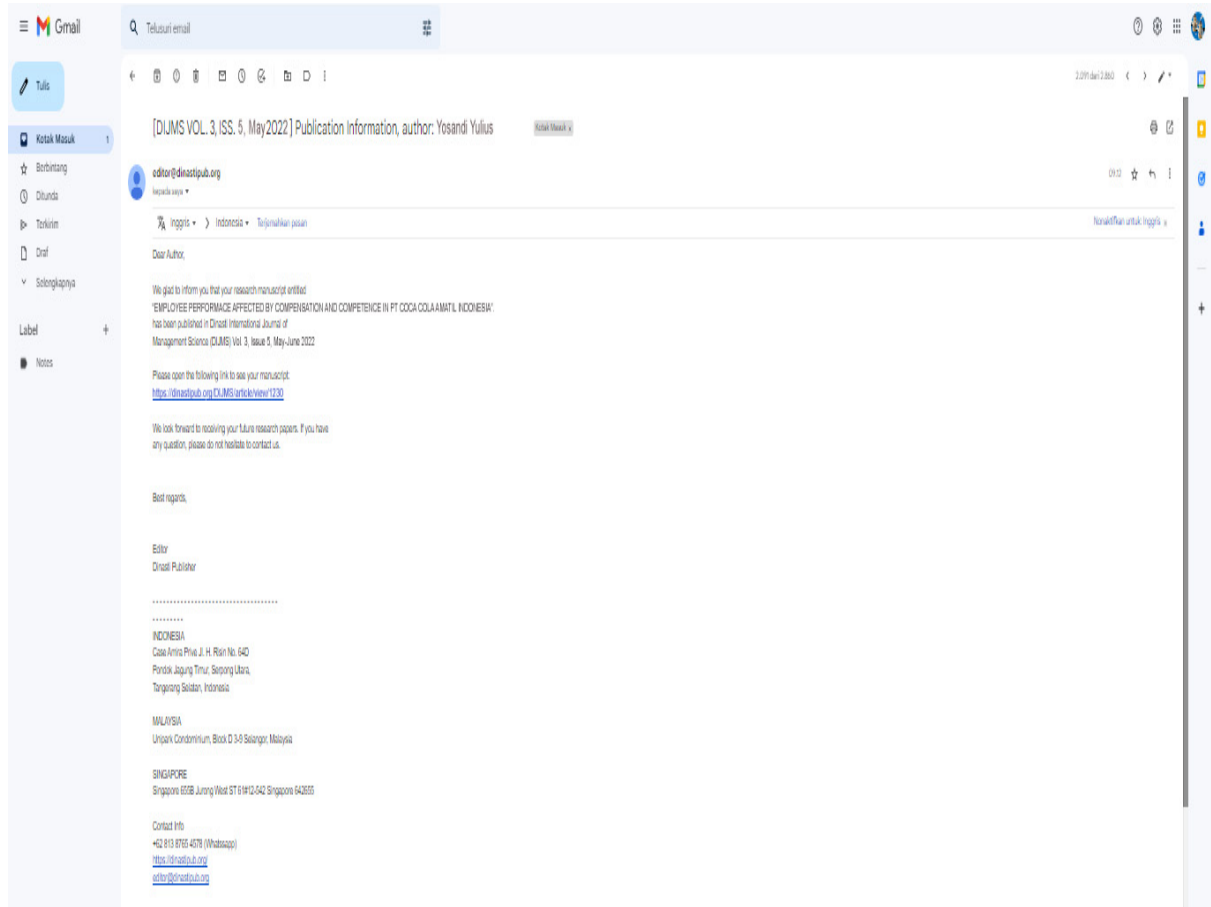

Thank you for submitting your work to this journal.

With kind regards,
