The screenshot shows a Yahoo Mail interface. The email from anna sri (anasaoocie@yahoo.com.au) to icsbs2017publication@gmail.com is dated Wed, 12 July 2017 at 10:01 pm. The subject is 'Full paper ICSBS 2017 - 72'. The email body contains a full paper titled 'WELL-BEING ON ELDERLY: THE ROLE OF PREDICTOR OF FAMILY SOCIAL SUPPORT AND RELIGIOSITY' by Anasaria Sidi Mayanti, Psychology Faculty, University of Pesisir Indonesia. The paper includes an abstract, introduction, and keywords. The abstract states: 'The old age is a golden age in a person's life because not everyone can experience this time. The elderly is also a period of decline, where the biological changes that occur will affect the physical and psychological conditions. Not many of them are elderly enjoying their happy years. Being happy in old age is not only in the efforts of elderly individuals but also the people closest to them. Fear of death also generally will make the individual become more religious than ever. This study aims to prove the effect of social support and religiosity on wellbeing in the elderly. Subjects in this study were 118 people aged over 65 years from several institutions in Jakarta taken at random. This study proves that family social support and religiosity affect the wellbeing of the elderly. Keywords: family social support, religiosity, wellbeing'. The introduction discusses the concept of well-being and its relationship to family social support and religiosity. A taskbar at the bottom shows the system time as 2:50 PM on 6/16/2022.

Dear Dr Anastasia Sri Maryatmi, M.Psi, Psikolog

Abstract ID : ICSBS 2017 72

Paper title : WELL BEING ON ELDERLY: THE ROLE OF PREDICTOR OF FAMILY SOCIAL SUPPORT AND RELEGIOSITY

Good Day!!!

Thanks for the camera ready paper.

We are in the final stage of publication, during the process of journal review the journal "Man In India" advised us that they will not be able to publish the full paper of our conference issue in 2017. So to avoid delay in publication and keeping in mind the need to publish all our conference papers in the year 2017, we planned to shift all the papers to another SCOPUS journal Advance Science Letters.

However we need to send the Authors copyright agreement and the full paper to the publisher by 24th August so that all the papers are taken for publication in their next earliest issue of publication.

Since we already have your camera ready papers with us we will change the paper format by ourselves and send it. However, the authors need to give the consent by signing the Copyright Transfer agreement which is attached to this email.

The authors copy right agreement for Advance Science Letter is attached to this email for your reference. Please fill up the details along with your signature and send us the scanned copy of the document immediately so that we can send it to the journal. Your quick response is truly appreciated.
