Dear Dr. Annizar:

PLEASE HIGHLIGHT THE PLACES YOU REVISED IN THE ARTICLE WITH YELLOW.

- 1) Your paper must be edited by an ENGLISH NATIVE PERSON.
- 2) Please use only the English language in the Manuscript. Including your name and affiliation information.
- 3) Your references should be written according to APA 7 Editing (American Psychological Association). All references must be given a DOI or (if not available) URL link. The link provided below may be helpful for you.
- 4) Please exclude the reference(s) which is/are not used in your paper.
- 5) The abstract should be written as a continuous paragraph with 250 words by stating the background of the research, purpose, methodologies, major conclusions of the research. More important is to emphasize important aspects of the study.
- 6) Ensure that all the in-text citations are included in the reference list (correspondence between in-text citations and your reference list).
- 7) Please include all these main titles in your Manuscript (Introduction, Method, Results, Discussion, Conclusion, Recommendations).
- 10) Please double check the title (not more than 12 words), author(s)' names and affiliations and authors' contact information, and references.
- 11) Please follow the reviewers' suggestions.

We plan to publish your article in the forthcoming issue. Please make the necessary corrections within 10 days.

Sincerely,
Journal of Survey in Fisheries Sciences (JSFS) Editorial Office
