Dear Sofia,

I have revised my manuscript with the ID JNS-122821, titled 'Psychological Study of the Impact of the Covid-19 Pandemic on Students: The Effect of Empathy and Resilience on Policy Acceptances and its Implications on Compliance,' according to the suggestions provided by the reviewers.

The following are the changes I made:

1. Improved English language and proofreading of the manuscript by a native English speaker.
2. Removed author identities and affiliations from the abstract section.
3. Enhanced the narrative of the methodology used in the study.
4. Formatted the manuscript according to APA style guidelines.
5. Corrected the formatting of the References section in accordance with APA style requirements.

I believe these revisions have strengthened the quality and clarity of the manuscript. I am grateful for the valuable feedback provided by the reviewers, which has significantly contributed to the improvement of my research.

Please let me know if there are any further steps I need to take or if there are any additional revisions or requirements that need to be addressed. I am committed to ensuring that the manuscript meets the high standards of the journal.

Thank you for your guidance and support throughout this process. I appreciate the opportunity to collaborate with you and contribute to the advancement of knowledge in our field.

Sincerely,

Anizar Rahayu
